

SCHOLARSHIPS, BURSARIES  
AND AWARDS

Tuesday, April 12, 2022

Sault College's annual Scholarships, Bursaries and Awards ceremony is a major highlight of the academic year. The return to an in-person celebration, after a two-year break, makes this night even more special for all of us. We extend out sincere appreciation to the many individuals, organizations, and businesses whose support allows the College to honour our students.

We express our thanks, first and foremost, to our awards sponsors. There would be no Scholarships, Bursaries and Awards program without your gifts. We also acknowledge the important work of the Scholarships, Bursaries and

Awards Advisory Committee and the Student Financial Assistance Office staff. Just as the number of awards grows annually, so does the year-round time and effort required to manage and coordinate the Awards program. Finally, many other departments within the College lend important support to the Scholarships, Bursaries and Awards program. A special recognition to the Financial Services team and the Marketing team who dedicate their time and expertise to this memorable event.

Congratulations, students. You have made us all very proud!
